

Wintergarden Running Trails

All trails begin at the south entrance to Wintergarden Woods near the Nature Center. Use care when running. Remember, our trails are unpaved. Keep an eye out for ruts, roots, and critters. Some trails may be muddy or impassable due to seasonal wet weather.

*Please stay on designated routes. Some trails that are visible but do not appear on the map have been closed for habitat restoration.

Runners--please share the trails and mind these few guidelines to ensure all visitors enjoy their experience at Wintergarden. Remember, walkers and hikers have right-of-way. Please be courteous...

- Slow down when passing
- Make noise when coming up on someone from behind
- Run in single-file if there are more than 2 in a group.

Thank you for choosing Wintergarden for your run!
