

**City of Bowling Green Comprehensive Plan:  
Future Land Use Update**

**STEERING COMMITTEE**

**AGENDA**

Wednesday, May 28, 2014  
3:00 p.m.

---

**1. Discussion on survey results, comments, and general commentary heard in the community about the emerging plan(s).**

**2. Draft document outline?**

*Vision Statement - Comments? This is the statement against which, ultimately, all decisions would eventually get weighted.*

*Objectives - Do they capture key big ideas? Do they give enough direction that once adopted they justify all the things that need to be done? How would they be listed in order of priority?*

*Applying the Vision – What is your approach to the following: strong annexation policy, better wayfinding & sign control along E. Wooster St., and how to better include seniors?*

*Actions – What are the actions to begin implementing the plan recommendations? Where would you start?*

**3. Final test scenario on target market, principles, and priorities.**
