Moving related storage of household goods in a portable storage container is allowed in the City, provided:

1. Your house is located in an R, S-1, or S-5 District;
2. You have only one container of 160 square feet or less;
3. The container is located on a legal driveway;
4. The container is in place for not more than 7 days in a calendar year.

No permit is required. Code Enforcement does monitor the use of such temporary storage units.
