Form No. 30043

Ordinance No. 8158

Passed February 21, 2012

ORDINANCE TO PROVIDE FOR THE ISSUANCE AND SALE OF NOTES IN AN AMOUNT NOT TO EXCEED \$2,750,000 IN ANTICIPATION OF THE ISSUANCE OF BONDS FOR THE PURPOSE OF PAYING COSTS OF IMPROVING NORTH MAIN STREET AND THE NORTH MAIN STREET/POE ROAD INTERSECTION BY CONSTRUCTING, RECONSTRUCTING, WIDENING, PAVING, RESURFACING, GRADING, DRAINING, CONSTRUCTING CURBS, SIDEWALKS, ACCESS RAMPS, DRIVEWAY APPROACHES, GUTTERS AND RELATED DRAINAGE IMPROVEMENTS, INSTALLING SIGNALIZATION AND LIGHTING, AND ACQUIRING THE NECESSARY REAL ESTATE AND INTERESTS THEREIN, TOGETHER WITH NECESSARY AND INCIDENTAL APPURTENANCES AND SUCH OTHER COSTS OF THOSE IMPROVEMENTS AS ARE PERMITTED BY REVISED CODE SECTION 133.15 TO BE FUNDED FROM THE PROCEEDS OF SECURITIES, AND DECLARING AN EMERGENCY

WHEREAS, this Council has previously by proper legislation declared the necessity of the improvement described in Section 1; and

WHEREAS, pursuant to Ordinance No. 7845, passed on January 5, 2009, there were issued \$800,000 Street Improvement Notes, Series 2009, in anticipation of bonds for the purpose stated in Section 1, which notes were retired at maturity with a portion of the proceeds of \$2,200,000 Street Improvement Notes, Series 2010, issued in anticipation of bonds pursuant to Ordinance No. 7960, passed on February 1, 2010, which notes were retired at maturity with a portion of the proceeds of \$3,500,000 Street Improvement Notes, Series 2011 (the Outstanding Notes), issued in anticipation of bonds pursuant to Ordinance No. 8074, passed on February 22, 2011, which Outstanding Notes mature on March 16, 2012; and

WHEREAS, this Council finds and determines that the City should retire the Outstanding Notes with the proceeds of the Notes described in Section 3; and

WHEREAS, the Director of Finance, as fiscal officer of the City, certified to this Council that the estimated life of the improvement described in Section 1 is at least five years, the maximum maturity of bonds issued for that improvement is at least 20 years, and the maximum maturity of the notes to be issued in anticipation of the bonds is March 25, 2029;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Bowling Green, County of Wood, State of Ohio, that:

Section 1: Authorized Principal Amount of Anticipated Bonds; Purpose. It is declared necessary to issue bonds of the City of Bowling Green in the aggregate principal amount not to exceed \$2,750,000 (the "Bonds") for the purpose of paying costs of improving North Main Street and the North Main Street/Poe Road intersection by constructing, reconstructing, widening, paving, resurfacing, grading, draining, constructing curbs, sidewalks, access ramps, driveway approaches, gutters and related drainage improvements, installing signalization and lighting, and acquiring the necessary real estate and interests therein, together with necessary and incidental appurtenances and such other costs of those improvements as are permitted by Revised Code Section 133.15 to be funded from the proceeds of securities.

Section 2: Estimated Bond Terms. The Bonds shall be dated approximately March 1, 2013; shall bear interest at the estimated rate of six percent (6%) per year, payable semi-annually until the principal is paid; and shall mature in 20 annual installments that are such that the principal and interest payments on the Bonds payable in each fiscal year in which principal of the Bonds is payable are substantially equal to the total payments on the Bonds in each other such year. The first interest payment of the Bonds is estimated to be December 1, 2013, and the first principal payment of the Bonds is estimated to be December 1, 2014.

Section 3: Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in an amount not to exceed \$2,750,000 (the "Notes") shall be issued in anticipation of the issuance of the Bonds, to retire the Outstanding Notes. The Notes shall bear interest at a rate not to exceed six percent (6%) per year, payable at maturity, with the actual rate of interest to be fixed by the Director of Finance in his certificate awarding the Notes at private sale in accordance with Section 6 (the "Certificate of Award"). The Notes shall be dated their date of issuance and shall mature one year from their date of issuance; however, the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is a date not later than one year from the date of issuance by setting forth that maturity date in the Certificate of Award.

Section 4: Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America and shall be payable, without deduction for services of the City's paying agent, at the principal corporate trust office of The Huntington National Bank, Columbus, Ohio, or at the principal corporate trust office or other office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the original purchaser (the Paying Agent). If agreed to by the original purchaser, the Notes shall be prepayable without penalty or premium at the option of the City at any time prior to maturity (the Prepayment Date) as provided in this Ordinance. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the Prepayment Date. The City's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the original purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date. The Director of Finance may request the original purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5: Form and Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Director of Finance, provided that the entire principal amount may be represented by a single note. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to Revised Code Chapter 133, the Charter of the City and this Ordinance.

Notwithstanding any other provisions of this Ordinance, if it is determined by the Director of Finance to be advantageous to the City, the Notes may be issued in book entry form for use in a book entry system and, if and as long as a book entry system is utilized: (i) the Notes may be issued in the form of a single, fully registered typewritten Note and registered in the name of a depository or its nominee, as registered owner, and immobilized in the custody of a depository; (ii) the beneficial owners in book entry form shall have no right to receive Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the depository and its participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the depository and its participants subject to the terms of this Ordinance; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

The Director of Finance is also authorized and directed to the extent necessary or required to enter into any agreements determined necessary in connection with a book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6: Award and Sale of the Notes. The Notes shall be awarded and sold by the Director of Finance at private sale at not less than the par value thereof in accordance with law and the provisions of this Ordinance. The Director of Finance shall designate the purchaser, fix the interest rate and make the other designations authorized in this Ordinance in a Certificate of Award, and cause the Notes to be prepared, signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

The Director of Finance is authorized to (i) engage the services of a financial advisor and (ii) request a rating for the Notes from one or more nationally-recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to engage a financial advisor and/or secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 7: Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8: Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9: Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year to the extent money from the municipal income tax is available for the payment of the debt charges on the Notes or Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the money so available and appropriated in compliance with the covenant hereinafter set forth. To the extent necessary, the debt charges on the Notes or Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City, and the City covenants, subject and pursuant to such authority, including particularly Revised Code Sections 133.05(B)(7) and 5705.51(A)(5) and (D), to appropriate annually from those municipal income taxes such amount as is necessary to meet such annual debt charges. Nothing in this Section in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Notes or Bonds.

Section 10: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be treated as an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, and (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is authorized (a) to make or effect any election, selection, designation (including, specifically, designation or treatment of the Notes as "qualified tax-exempt obligations"), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this section to take with respect to the Notes.

Section 11: Certification and Delivery of Ordinance. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance to the County Auditor of Wood County.

Section 12: Retention of Bond Counsel. The legal services of Squire Sanders (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinion upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services, whether or not the Notes are ever issued. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13: Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and

that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 14: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 15: Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 16: Declaration of Emergency; Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the City, and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be delivered at the earliest possible date to enable the City to retire the Outstanding Notes and thereby preserve its credit; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.
