Ordinance No. 8537

Passed November 7, 2016

ORDINANCE AMENDING AND ADOPTING SECTION 33.23 OF THE CODIFIED ORDINANCES OF THE CITY OF BOWLING GREEN, OHIO, REGARDING MEDICAL AND DENTAL INSURANCE, AND DECLARING AN EMERGENCY

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BOWLING GREEN, COUNTY OF WOOD, AND STATE OF OHIO:

SECTION 1: That Section 33.23 of the Codified Ordinances of the City of Bowling Green, Ohio, is hereby amended and adopted to read as follows:

SECTION 33.23 MEDICAL AND DENTAL INSURANCE

(A). Each full-time non-seasonal, non-temporary city employee not covered by a collective bargaining agreement may elect to subscribe to and receive from the city medical insurance coverage for themselves and their eligible dependent family members. Employees, who elect to participate in the city's group medical insurance plan during plan year 2017 shall pay 10% of the monthly premium via payroll deduction. In addition to the 10% monthly premium contribution, full-time employees will also pay, via payroll deduction, the following premium shares each pay period during the period commencing November 21, 2016 through November 19, 2017. The shares shall be based on the employee's base annual salary, plus the employee's election of single coverage, employee/spouse coverage, employee/child(ren) coverage, or family coverage.

Table with 5 columns: 2017, Family, Employee/Spouse, Employee/Child(ren), Single. Rows show premium amounts for different salary brackets.

The City will then pay any remaining portion of the monthly group medical premium that remains after both the employee's monthly and bi-weekly premium shares have been taken via payroll deduction.

(B). Effective July 1, 2006, part-time, non-temporary/ non-seasonal hourly city employees are eligible to participate in the city's group medical insurance plan if they are hired to work a minimum of 1,250 hours per calendar year. Non-temporary, salaried/exempt part-time personnel will be eligible to participate in the city's group medical insurance plan if they are hired based on their salary equating to at least 50% of the annual salary that a full-time salaried/exempt employee would receive who is similarly classified. Eligible part-time employees who elect participation in the city's group medical insurance shall pay 50% of the city's total monthly premium cost for medical insurance via payroll deduction. The city shall then pay the remaining 50% of the monthly medical insurance premium at the single, employee plus spouse, employee plus children, or family rates, depending upon the employee's eligibility. Non-temporary/non-seasonal part-time employees are not eligible to participate in the city's group dental insurance plan.

(C). (1) Each full-time non-seasonal/non-temporary employee not covered by a collective bargaining agreement may elect to subscribe to the city's group dental insurance coverage for themselves. The city shall pay 90% of the employee's monthly premium for single coverage for themselves. Eligible

employees shall then be required to pay 10% of the city's total monthly premium cost for single dental insurance via payroll deduction.

(2) Eligible full-time employees may, at their own expense, elect to subscribe to group dental insurance coverage for dependent family members. The employee shall pay the additional cost for dependent coverage via payroll deduction. In order to participate in the dependent coverage, the employee must also take single dental coverage for themselves first. The city shall not pay any portion of the monthly premiums for dependent dental coverage.

(3) Employee share(s) of group premium payments will be taken via payroll deduction from an employee's bi-weekly pay, only if there are sufficient earnings in that pay period to cover the deduction. If there are insufficient earnings to cover the cost of the payroll deduction, then the employee will be responsible for paying for his or her share of the premium(s) via a method that is acceptable to the Finance Director.

(D). Employee share(s) of group premium payments will be taken via payroll deduction from an employee's bi-weekly pay, only if there are sufficient earnings in that pay period to cover the deduction. If there are insufficient earnings to cover the cost of the payroll deduction, then the employee will be responsible for paying for his or her share of the premium(s) via a method that is acceptable to the Finance Director.

SECTION 3: This ordinance shall take effect as an emergency measure. The reason for the emergency is that it is necessary to have medical premium rates and terms in effect with the payroll period commencing November 21, 2016, thereby protecting the public peace, health and welfare of our citizens.
