U. S. Bicycle Route Planning in the Toledo Metropolitan Area Council of Governments Region

The Ohio Department of Transportation has established a goal to designate a signed network of US and State bicycle routes that will accommodate long distance cycling and also serve as a backbone for local connections. The proposed US routes follow the American Association of State Highway and Transportation Officials (AASHTO) national initiative.

US Bike Route 25 (north to south)

US Bike Route 25 (USBR 25) starts in Mobile, AL and ends in Sault St. Marie, MI. It enters Ohio from Kentucky before passing through Cincinnati, Dayton, Lima, and Toledo on the way to Detroit, Michigan. It parallels Interstate 75 along much of the route.

In the TMACOG planning area, USBR 25 heads south along Dixie Hwy in **Erie Township** in **Monroe County, MI**, to Luna Pier Rd then west on Luna Pier/Lakeside Rd into **Bedford Township** to Lewis Ave. Then south on Lewis Ave to Dean Rd. Then west on Dean Rd to Douglas Rd. South on Douglas Rd, crossing into **Lucas County, OH** and the **City of Toledo**.

Within the **City of Toledo** continuing south on Douglas Rd to Tremainsville Rd, then southeast on Tremainsville Rd to the Chessie Circle Trail. Following the Chessie Circle northeast to Jackman Rd and crossing Jackman Rd to Slater St. Then east on Slater St to Overland Pkwy. South on Overland Pkwy to Crestwood Rd. East on Crestwood Rd, then southeast on Harford Rd. Continue east onto Corbin Rd to N. Haven Ave. Then south on N. Haven Ave to Eleanor Ave. Then east on Eleanor Ave to Bennett Rd. Then south on Bennett Rd to Sylvania Ave. Then east on Sylvania Ave to Lagrange St. Then southeast on Lagrange St to Expressway Dr. The route then splits into a one way pair – south and eastbound on S Expressway Drive to Stickney and then north on Stickney to N Expressway Dr and the north and westbound trail travels on N Expressway Drive. Continuing east and south along N Expressway Dr to Chrysler Dr. Then south on Chrysler Dr to Manhattan Blvd and Counter Street. Then south on Counter St to Clay Ave. Then west on Clay Ave to a multiuse path over I-280 to Buckeye St. Then south on Buckeye St to an existing multiuse path (Buckeye Basin Trail) under I-280. Then south along the existing multiuse path to Summit St. Then the route heads southwest along Summit St to Elm Street. Then south on Elm to Water St. Then along Water St and existing Promenade Path along the riverfront to the Swan Creek path at the base of Jefferson Ave. Then along the Swan Creek path to Monroe St. Then south along a separated bike lane on Owens Corning Parkway to Ottawa Street. Then south on Ottawa Street through Middlegrounds Park to Williams St sidepath. West on Williams St to Emerald Ave. Then south and west on Emerald Ave to Maumee Ave. Then south on Maumee Avenue to Broadway St.

Continuing southwest along Broadway St until it becomes River Rd. Continuing southwest along River Rd into the **City of Maumee** to Broadway St. Then west on Broadway St to Conant St. Then south along Conant St on a sidepath over the Maumee River, crossing into **Wood County, OH** and into the **City of Perrysburg**.

Following the sidepath south along West Boundary St to the sidepath on the north side of SR 65 (Indiana Ave). Then west following the sidepath along Ft. Meigs Cemetery on SR 65 to W River Rd. Then on W River Rd continue west to Hull Prairie Rd into **Perrysburg Township**. Then south on Hull Prairie Rd into **Middleton Township** to Hannah Rd. Then east on Hannah Rd in **Plain Township** to Brim Rd. Then south on Brim Rd into the **City of Bowling Green** to Van Camp Rd. Then east on Van Camp Rd to Fairview Ave. Then south on Fairview Ave to Conneaut Ave where there is a jog to the west to Maple St. Then south on Maple St to Sand Ridge Rd where there is a jog to the west to the **Slippery Elm Trail**. Then following the Slippery Elm Trail south to Broadway St in the **Village of North Baltimore**. Then west on Broadway to Main St. Then south on Main to SR 18 in **Henry Township**. Then west on SR 18 to Mitchell Rd. Then south on Mitchell Rd to Belmore Rd. Then west on Belmore Rd to Liberty Hi Rd. South on Liberty Hi Rd which becomes CR 139 in **Hancock County**.

US Bike Route 30 (west to east)

US Bike Route 30 (USBR 30) connects Montana to Massachusetts. More locally it links Detroit, Toledo, and Cleveland Much of this route in North Central Ohio is along the North Coast Inland Trail. A scenic alternative, 30A, follows the shore of Lake Erie and passes through Sandusky and Lorain before rejoining 30 just west of Cleveland.

In the TMACOG planning region, USBR 30 branches off of USBR 25 at the Craig Memorial Bridge in the **City of Toledo** to cross the Maumee River on the multiuse path on the Craig Memorial Bridge. Then heading west on Front St to Dearborn Ave. Then southeast on Dearborn Ave to S Ravine Pkwy Dr. Then east on S Ravine Pkwy Dr until it becomes Seaman Rd in the **City of Oregon**. Then south on Wheeling St to Brown Rd. Then west on Brown Rd to Reswick Dr. Then south on Reswick Dr to south on Drouillard Rd. Then south on Drouillard Rd crossing into **Wood County, OH** and the **City of Northwood** continuing south on Drouillard, then west on Wales Rd, the south back onto Drouillard into the **Village of Walbridge** where Drouillard becomes Main St. Continuing south to Ayers Rd in **Lake Township**. Then east on Ayers Rd to Main St into the **Village of Millbury**. Then south on Main St to Cherry. Then east on Cherry St to N. Fostoria Rd. Then south on N. Fostoria Rd to Hellwig Rd into **Ottawa County, OH**.

State Bike Route 90 (west to east)

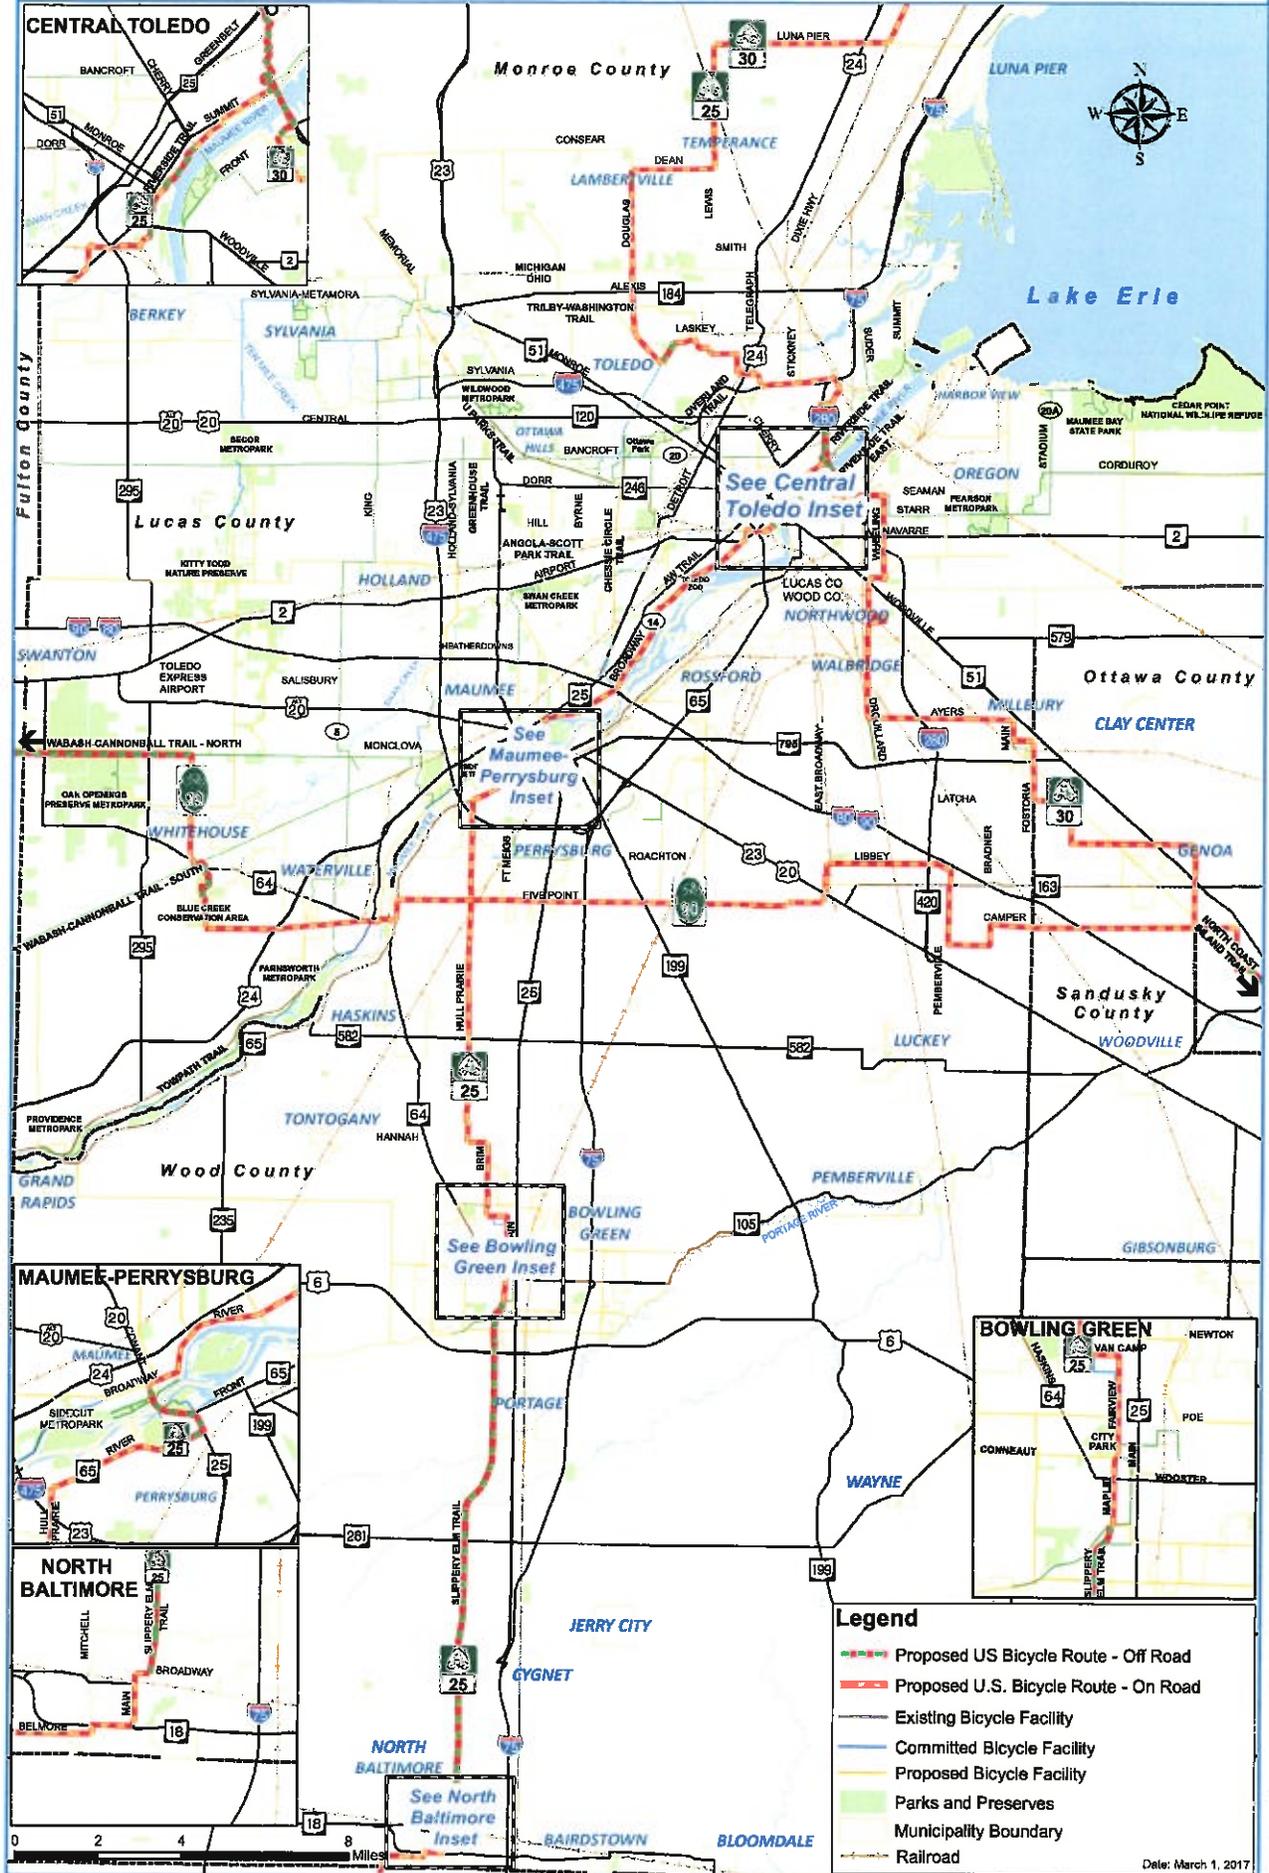

State Bike Route 90 (SBR 90) makes use of the Wabash-Cannonball Trail, goes through historic Waterville, then follows a route across northern Wood County before joining onto the North Coast Inland Trail near Genoa.

SBR90 comes into the TMACOG planning area from **Fulton County, OH** on the west into **Lucas County** via the **Wabash-Cannonball Trail** North Fork to Whitehouse-Spencer Road in **Monclova Township**, then south continuing on N. Texas Street into the **Village of Whitehouse**. Then east on Shepler Ave, south on Providence St through the Blue Creek Conservation area, then south on Shadel Rd to Neapolis-Waterville Rd. Then east on Neapolis-Waterville Rd continuing into the **City of Waterville** on Farnsworth Rd. Then north on S. River Rd to SR 64 and the bridge over the Maumee River and into **Wood County** and **Middleton Township**. Then north on SR 65 (W. River Rd) to Five Point Rd. Then east on Five Point Rd in **Perrysburg Township** to Stony Ridge Rd in **Troy Township**. Then north on Stony Ridge Rd to US 20/23.
