

City of Bowling Green, Ohio  
Municipal Utilities  
Water Meter and Tap Fee Schedule – Effective June 1, 2018

**NOTES:**

1. Meter size and Tap size may be different. Contact the Water Distribution Superintendent to verify costs associated with each installation.
2. Additional Front Footage Fees may apply when connecting to a water main, please contact the Utilities Director's Office for more information.
3. All meters and taps 2" and larger will be billed at actual costs, however costs shall not be less than that shown in the tables below.
4. The Tapping Fees for 3", 4", and 6" taps do not include the tapping saddle, valves and piping. These items are to be furnished by the owner, developer, or contractor.
5. The Tapping Fees for 3", 4", and 6" taps assumes the water main is exposed and the trench is shored and secured. Additional charges will apply for any City expense necessary to perform the tap including but not limited to exposing the water main, securing the trench, hauling debris, backfilling the trench.
6. A Detector Check Meter is required on separate fire service lines that are not metered by a domestic service meter. All costs associated with the purchase and installation of a Detector Check Meter shall be the responsibility of the owner, developer, or contractor.
