Welcome to Bowling Green from Mayor Mike Aspacher

As a new resident, it is our sincere hope this informational bulletin helps you with the “settling in” process. The city takes pride in offering quality services and strives to provide services efficiently and effectively. BG has the distinction of being one of few cities in Ohio featuring an internationally-accredited Police Division and Fire Division ready to respond to emergency needs. Over the years, the city provided utility services have proven to be both reliable and affordable. We are notably proud of the beautiful parks and recreational facilities, along with our historic downtown. In many respects, the city is a traditional American college town with all of the elements that typify such a setting.

We hope you soon discover the many reasons this community is a great place to live!

PARKS AND RECREATION DEPARTMENT

Through the support of the citizens of Bowling Green, the city provides quality parks, facilities and year-round programs and events for people of all ages to enjoy. In a recent national poll, the City of Bowling Green was ranked as one of the Top Ten Places to Raise a Family in the nation and a large factor in this ranking was the number and quality of public parks. While the National Recreation & Park Association states the typical agency has 9.5 acres of park land per 1,000 residents; we have an amazing 12.4 acres per 1,000 residents! With 373 acres of park land, 11 parks and the Bowling Green Community Center for residents, there are plenty of opportunities for people to get active or enjoy the beauty of nature. Check out our website at www.bgohio.org/parks for information on all the sports, fitness, recreational, cultural, and community events and programming we offer year-round to residents as well as a variety of indoor and outdoor facilities available to rent for special life moments. One of the parks listed below is within 1.5 miles of your residence so take advantage of all they have to offer:
