

As we are sure you are all aware by now Wood County has been placed in the Level 3 (red) Category.

What does this mean?

As of Friday evening, July 10 at 6 pm face coverings are now required:

1. in any indoor location that is not a residence
2. outdoors and unable to consistently maintain a distance of 6 feet or more from individuals who are not a member of their household.
3. waiting for, riding, driving, or operating public transportation, a taxi, private care service, or a ride sharing vehicle.... within the county.

So this means that you will now be required to wear face coverings in the Community Center EXCEPT when you are actively engaged in exercise. Six or more feet of separation must still be maintained at all times.

Thank you in advance for your cooperation with this new mandate!
