

Greetings Foundation Supporter,

In years past we would have been sending out invitations to the Wine & Cheese at this time of year. Due to COVID-19 protocols and safe practices we will not be having the live event. We ask that you think about the amount that you would have spent attending the 25th Annual Wine & Cheese Fundraiser on things like: tickets, mums, auction bids and raffle tickets. Please consider donating that amount to the BG Parks & Recreation Foundation.

This year has been like no other and the unfortunate and unexpected impact of the novel coronavirus on the Parks & Recreation Department's budget has been devastating. One third of the parks budget comes from fees and charges. With limited ability to offer programming, rentals and facility use this budget impact continues. So, this year the Wine & Cheese proceeds will go to help support the maintenance and upkeep of our parks.

Throughout the pandemic BG Parks & Recreation has remained open and as always, continued to provide people with a place to experience nature, trails, fresh air and green spaces all wrapped up in a safe, clean space to go. Take a minute to think about how important the parks have been to you. We have heard from a lot of people that our parks have been a lifeline to them during this pandemic, and usage has gone way up! Your financial assistance will allow us to continue helping the community build lasting memories in our City Parks.

Thank you for your consideration and please mark your calendars for the 2021 Wine & Cheese on September 24, 2021. We look forward to seeing you there!
